Consignment Information

Thank you for your interest in consigning furniture with Fred's Beds & Furniture. Since 2002 we have been providing a fun and exciting place for customers to buy and sell used furniture.

What we are looking for:

Good quality furniture or accessories. Items must be clean, functional, and free of any major damage or defects. We will not be able to sell used mattresses and will turn away upholstered goods with stains, rips, missing cushions, pet hair, smoke smell or other odors. Furniture with drawers must have the drawers in good working order and cannot be missing drawers. Please clean the furniture prior to consigning as we will only accept items in "ready to sell" condition. We can also accept art work, lamps, clocks, and home accessories. No appliances or tube televisions.

Terms:

We sell on a 50/50 consignment basis. Consignment checks are sent out on the 10th of the month after the items are sold, or you can pick up your check earlier if you know your things have sold.

What we will do:

Although we cannot guarantee a selling price, our goal is to get the best price for your furniture in the quickest time period. If things stay in the store for more than 10 days we may adjust the price until sold. We will also post pictures of your furniture on our website (www.freds-beds.com) and continue to advertise with print ads and billboards.

How to get the furniture to us:

The best way is to bring it yourself, but if you are unable to get it to us we can recommend a local service that can pick up your things at a very reasonable price.

If you have any questions or are interested in consigning with us, please call us at 678-455-1190 or email mike@freds-beds.com.

Thank you for your interest.
